Education

Pimpri Chinchwad College of Engineering and Research Pune, Maharashtra   June 2026
Bachelor of Engineering in Information Technology   CGPA: 8.61

The Jain Internatiional College, Aurangabad, Maharashtra   June 2022
CBSE.   Percentage: 84.32

Oyester English High School, Aurangabad, Maharashtra   June 2020
CBSE   Percentage: 93

Projects

AI Text Summarizer App
AI-based Text Summarizing Web App
- Used Hugging Face API for summarizing text
- Used HTML, CSS, Javascript for **Frontend**
- Used Nodejs, Expressjs for **Backend**

Netflix web clone
- I learned how to structure a webpage using HTML and style the website with CSS to mimic Netflix's sleek and responsive interface closely.
- Creating a user interface that works on various screens of different sizes (mobile, tablet, and desktop) using media queries and flexible layouts.
- Learned CSS Flexbox/Grid to organize content dynamically, such as movie rows and sections.
- Handling interactivity, like sliders for movie rows, navigation, and the "hover" effects over movie posters.

Activities and Voluntary Work

Member of the ACM Technical Club
- Member of the Design Team, which helped me to enhance my creative skills and implement them in real-life projects.

Concept Carnival Event   PCCOER, Pune
- Achieved second place for the idea "Harvest Hub"which is a B2B platform for farmers and industries.

Kurukshetra Sports Event   PCCOER, Pune
- Participated in different physical activities and sports competitions.

Science Club member
- Science club focused on experiments, research, and projects that provide hands-on experience.
- Giving talks, or discussing ideas with peers helped me improve my public speaking and communication skills.
- The club provided leadership opportunities, fostering both management and team collaboration abilities.
